MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the *Obligations Foncières*, taking into account the five (5) categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018, has led to the conclusion that: (i) the target market for the *Obligations Foncières* is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the *Obligations Foncières* to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the *Obligations Foncières* (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the *Obligations Foncières* (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.
